ANDREA⁵ NAESTED (IRVING LIONEL⁴, HANS MICHAEL³, HANS MICHAEL², HANS MICHAEL¹) was born on 18 December 1963 in Cape Town, South Africa. She married ALI RAZI on 10 June 2000 in Las Vegas, Nevada, USA. He was born on 12 December 1969 in Texas, USA. Andrea is the great great granddaughter of CAMILLA HENRIETTE⁵ FLEMMER

born on 21 December 1840 in Korsor, Denmark and died on 14 October 1922 in Cradock, Cape, South Africa. She married HANS MICHAEL NAESTED on 9 October 1860 in the Dutch Reformed Church, Cradock, Cape, South Africa. He was born on 13 March 1827 in Holbaek, Denmark and died on 30 August 1907 in Cradock, Cape, South Africa.

My parents are the same as my sister's, Julie Naested (as you know). My date of birth is December 18, 1963. I was born in Cape Town and spent my early childhood in P.E with my father. Julie and I lived with my mother in Cape Town beginning in 1970 - we attended Michael Oak Waldorf School and later Cape Town High. We immigrated to the US in 1977 with my mother, stepfather and half-sister. I finished high school in Oakland, California, graduating in 1980. I then went back to live in Cape Town for a couple of years to see my father and I thought about moving back to SA - but did not and moved back to California.

In California I worked for a few years and then later enrolled in university and graduated from the University of California at San Diego in 1994 with a degree in Political Science. I then went to the University of San Diego Law School and graduated with a law degree in 1997. Since graduating I worked as an attorney in Las Vegas for a year with a firm representing casinos in labor law matters (1997-98). I then spent a year (1998-99) in Washington, DC working with a law firm representing mining companies in safety matters against the federal government. I was in DC with my fiance at the time, Ali Razi, who was completing his graduate work at Georgetown University (he is also an attorney). (He was born in San Antonio, Texas on December 12, 1969 and spent his childhood in Iran and moved back to the states in 1984 -his parents are Iranian).

Ali and I moved back to San Diego from Washington DC in 1999. Since then we were married in Las Vegas on June 10, 2000. We have also just had a daughter, her name is Natasha Razi, date of birth is January 8, 2003, and she was born in San Diego, California. We currently live in San Diego. I am still working as an attorney, for a firm representing school districts. Ali gave up his attorney job and has just opened up a restaurant (Extreme Pizza) with my other sister (Frances Playdon), here in San Diego. They are slated to open 2 more restaurants in the next couple of years.
